ANGIOGOLD ACADEMY

IN PERSON · FROM PHYSICIAN TO PHYSICIAN

SER LIVRE.
AI for physicians.

Your clinic. Your decisions. You are in control.

An in-person course with Dr. Cadu for physicians and clinic owners who want to manage communication, content and operations with AI. Dates and fees will be announced soon.

> **Two days of fully in-person content, with group support via WhatsApp.**

Eight practical modules

1. **Patient communication:** WhatsApp, real appointment calendars, booking, team handoffs and supervised AI communication.
2. **CRM and medical records:** communication channels, pipelines and tags, calendars, payments and medical-record addenda.
3. **Advertising:** Google and Meta campaigns, results, tracking and CRM sources, without health-data audiences.
4. **Instagram:** clear audio, captions, covers, graphics, Reels, carousels, stories and collaborations.
5. **Content and courses:** scientific papers transformed into lessons and videos; avatars, cloned voices, websites and apps.
6. **Email:** campaigns, reports, PDF delivery and inbox routines.
7. **Personal assistant:** Amanda, instructions through WhatsApp, email on your behalf, reminders and coordination of AI tools.
8. **Website and SEO:** creating and updating pages, blogs, Google and AI search, and your clinic's Google Business Profile.

Group support via WhatsApp. This supports the in-person course; no online classes or support duration are announced.

Prepare for the course

The interest form asks about your experience, laptop, Claude subscription, website and technology challenges so the team can understand your background. The course is presented through examples from Dr. Cadu's working practice.

No clinical, financial or marketing outcome is guaranteed. AI in patient communication requires supervision and does not replace medical judgment.

Referral programme

The published programme offers 5% via PIX for each confirmed enrollment. With 20 enrollments at a value equivalent to what you paid, the bonuses total 100% of your investment. Payment follows seven days after confirmed payment, with details verified and enrollment maintained. There is no coupon or automatic free enrollment.
